NOTES

- Made of high-strength polypropylene, square mesh size, lanyard
- Ø 12 mm (30 kN), GS test certificate 03100001, with or without fastening loops
- Safety on construction sites does not tolerate compromise.
- Fall stop protection is mandatory for hazardous work (carpentry, formwork installation, masonry, roofing work) as well as under permanent scaffolding in high-ceiling halls.
- Our fall stop nets and side protection nets assure safety in compliance with EN standards.
