60800-209-120-06		3	120	1.25	0.0650	black

NOTES

- All nets feature a reinforced selvedge that is included in the m2 price.
- High tenacity, knotless
- For technical reasons, it is not possible to supply all net sizes without seams. All nets are produced in the largest possible width with a diamond mesh and then converted to square mesh. The resulting seams are unavoidable and do not reduce the quality of the net.
