NOTES

- We manufacture the nets to fit your specific measurements and shapes.
- Cutting for non-rectangular geometries with appropriate cutting allowance.
- Webnet edge finishing offers various options, with Type H24 and Type V24 being the standard versions. Selection depends on the primary structure's construction and assembly requirements.
- Please refer to further instructions in the Webnet catalog and assembly manual.

Specifications are provided for reference and may change without notice. Contact us to confirm the right product for your application.
